Spelling Practice Activity

Dear Family,

Ask your child to write the spelling words correctly on a separate sheet of paper. As you work with your child to practice this week's words, try the following activity.

Have your child read the spelling words aloud. Have her or him write each word on an index card or a slip of paper and underline the spelling pattern for the /ôr/ sound (or, ar) or the /îr/ sound (er, eer, ear). Put the words in a bag and shake it. Take turns drawing a word, reading it aloud, and using it in a sentence. Then have your child write the word.
