Spelling Practice Activity

Dear Family,

Ask your child to write the spelling words correctly on a separate sheet of paper. As you work with your child to practice this week's words, try the following activity.

Take turns with your child writing riddles for each of the spelling words. Then try to guess the answers to each other's riddles. Finally, have your child write the spelling words.

Example:

I orbit the sun, but I am not a planet. What am I?
(asteroid)
