## Jamestown -The Story of America Part 1

**Directions:** Please read over the questions prior to the movie starting. Next, watch the film and respond to the questions. Your answers for questions 1-10 do NOT have to be in complete sentences.

1. What was the most valuable resource?
2. What was rumored to be underground?
3. What did the English bring with them instead of livestock?
4. What crop made Jamestown a "boom town"?
5. Who did Rolfe marry?
6. Who arrived up north at Plymouth?
7. Where did the Pilgrims intend to actually land?

8. How were the winters different between England and Plymouth?

9. What did the Native Americans want from the Pilgrims?

10. What tradition did the Pilgrims and Native Americans create?

**Directions: Read the questions below. Respond using facts from the movie. All answers must be in complete sentences.**

11. How did Rolfe's crop change Jamestown and help make the colonies become successful?

12. Once Jamestown became successful, who did Europeans bring over to help grow their crops?

13. What part of the movie did you find most interesting?
