### Spelling Practice Activity

#### Dear Family,

Ask your child to write the spelling words correctly on a separate sheet of paper. As you work with your child to practice this week's spelling words, try the following activity.

Pronounce each word and have your child write the word on an index card or a piece of paper. Collect the cards or pieces of paper and shuffle them. Then help your child sort the cards or pieces of paper according to the following /ô/ sound/ spellings: **o**, **ou**, **au**, **aw**, and **al**. Have him or her underline the letter or letters that comprise the /ô/ sound/spelling in each word.
