### Spelling Practice Activity

#### Dear Family,

Ask your child to write the spelling words correctly on a separate sheet of paper. As you work with your child to practice this week's spelling words, try the following activity.

Pronounce each word and have your child write the word on an index card or a piece of paper. Collect the cards or pieces of paper and shuffle them. Then have your child sort the cards or pieces of paper according to the following /ô/ sound/spellings: **o, oa, ou, au, aw,** and **al** or **all**. Challenge your child to think of additional words that contain these sound/spellings. Have him or her write these words on a separate sheet of paper.
